“ *My deepest condolences to both and his family, he was a great person, would give you the shirt off his back if you needed it. He loved helping people especially friends and family he will be greatly missed. Bonfires won't be the same, I only hope the family and friends hearts don't weigh as heavy. He was loved by so many! My thoughts and prayers go out everyone that is weighing hard on his death. Fly high bo you will definitely be missed*
