“ My name is Joshua I attended Amite High Magnet from 2019-2022 from Freshmen year ti Junior year when I had heard about the death of Mya this morning I was getting ready for school until I had I checked on a electronic device and then while I was charging my chromebook I had decided to check for the news and so I had went on a cell phone and her picture was on there and I thought it was a Senior Award Ceremony and while I was in class I had looked up the old high school and her picture was saying rest in peace and fly high angel and that's when I went into the bathroom and started crying and which I am still hurting because every since I left I was always thinking about her because she always had a beautiful voice.
