“ Wow, Shirley! I'm just learning this. I'm so blessed to have met you and gain a friend! You made going through our RN program enjoyable as there weren't too many of us there. I'm glad we pushed through even during the times we didn't want to. I was so proud when you set out to open your adult care and succeeded! Rest in peace, beautiful soul. Your smile and shining light are missed in this world!
