

## Trinty JoAnn Cox

August 27, 2002 - January 20, 2021

Trinity JoAnn Cox passed away suddenly on Wednesday, Jan. 20, 2021. She was 18 years old. The world was blessed when her gentle, loving soul entered this world at St. Tammany Hospital on 08/27/2002.

She had a gypsy soul and lived a transient/nomad lifestyle which allowed her to travel extensively and to see the world in her short time here. She wasn't afraid of taking chances or living on the edge and she had a free spirit that soared very high. She was very lucky to have her feet hit the soil in every state except Hawaii and Alaska, just as she's touched the hearts of every person that she's cross passed with. She was very soft spoken, genuine and tremendously loving. She excelled in everything that she'd ever done;

Especially singing while she played her guitar or her banjo and drawing.

Trinity is survived by her parents Amanda Cox and Jonathan Menting. Great great grandfather Willie Morgan Jr. Grandparents Eddie and Jackie Moak, Ruth and Jimmy Womack, and Sarah Ministers, Aunt and Uncle Stephanie and Daryn Lasabbe, Uncle Caleb Cox Resnick, Aunt Chauna Edney and 2 special cousins Seth and Alex Lasabbe. And too many more Aunt's, Uncles and cousins to list.

She is preceded in death by great-great-grandmother Theresa Knapp Morgan. Great-grandparents Eva Jean Cox McAllister and Wilton J. Cox and Lavon (B-Bon) and Ernest Miller. Grandfather Steve Cox. Uncles David Cox and Jerry Cox.
